

The Daily Chronicle.

FRIDAY, DEC. 12, 1879.

PENCILITES.

Mr. Joel Bowling, of Coal Creek, is registered at the Central House.

Yesterday's market was almost a failure—drowned out by the all night's rain.

Ogden Brothers are paying special attention to ordering Books not in stock.

Hon. I. C. Fowler, editor of the Bristol News, and his wife, celebrated their silver wedding on the 6th inst.

It rained almost incessantly, in torrents, from 5 o'clock Wednesday evening till 9 o'clock yesterday morning, and now it turns cold.

Jonesboro' Journal: Engineer Mat Franklin ran a train last week from Jonesboro' to Bristol, 32 miles, in 37 minutes. How is that for speed?

The Rentz Stanley troupe arrived on the 4 o'clock train yesterday evening, from Atlanta, Ga., where they closed an engagement Wednesday night.

The Jonesboro' Journal learns that Jno. T. Wilds, of that town, was awarded a gold medal for oratory in the senior class at Princeton, N. J., recently.

Christmas Cards.

A beautiful assortment of these seasonable novelties have just been received by Messrs. Ramage & Co., which are well worth looking at.

A few drifting flakes of snow were observable yesterday forenoon. This is about the first sight of snow in this region this winter, and Christmas is hard upon us.

Lost—A plain gold ring with the initials R. A. B. to F. L. F. engraved on the inside. The finder will be rewarded by leaving it at this office.

It was something remarkably strange and coincident, that so many young men, and several not so youthful, had pressing business at the 4 o'clock train yesterday evening.

Public debating clubs of Bristol and Blountville are to meet at the latter place next Saturday night, and grapple with the subject: "Resolved, That the right of suffrage should be extended to women."

Maryville Democrat: The "smoking" and baggage car, K. & C. R. R., has received a fresh coat of paint, and we learn that the passenger coach is to shortly have some new improvements made on the inside.

Have you been at Santa Claus Headquarters this year? If not, don't fail to go to Cullen & Newman's, and you will find him there with all of his display. They have an immense stock this year; the largest ever carried, and they are going to sell them.

Jackson, the Chattanooga body-snatcher, who was recently arrested and committed to jail for robbing graves and shipping bodies to different places, has been expelled from the Whiteside Street M. E. Church, South, of which he was a member.

Chattanooga's new City Council, at a recent meeting, elected the following city officers: Geo. E. Drumbar, Tax Collector; J. P. Bouscaren, Engineer; Geo. M. Sherwood, Recorder; R. G. Jones, Auditor; W. H. DeWitt, Attorney; B. Schwartz, Lieutenant of Police; James Pearson, Sexton. They adjourned to complete the list at another time.

The Union Flag learns that Ambrose Collins, son of Mr. T. D. Collins, while covering a stable for Oby Taylor, about one mile from Jonesboro', fell from the top to the ground, a distance of fifteen feet, breaking both bones of his leg, just above his ankle. Dr. Deckerick was immediately called in and set the fractured bones and at last account he was doing very well, yet he suffers very much.

HALL'S CELEBRATED FIRE-PROOF SAFES.—The largest shipment of Fire-Proof Safes ever made to a Southern city have arrived in Knoxville, and are on exhibition at W. W. Woodruff & Co.'s this week. Please call and examine stock and prices before purchasing. Over 500 Hall's Safes are now used by the merchants of Knoxville and East Tennessee. Mr. T. B. Connell, the General Agent, will take pleasure in showing these goods. Call and see us.

Cold Cream Camphor Ice Lip Salve, etc., at Lyons & McCampbell's.

A big stock of Trunks, Shoes and Hats, cheap, at H. W. Hall's.

If you want to make your little child happy, buy it a nice little Toy Trunk from H. W. Hall.

All grades American and Swiss watch movements in gold, silver and nickel cases, at Hope & Miller's.

The flash of diamonds and sparkle of many varieties of precious stones in the richest gold settings, are among the attractions of Hope & Miller's splendid line of goods, selected expressly for the holiday trade.

Where do you get your Shoes and Boots?

Why, I get them at W. B. McMullen & Co.'s, and so do my sisters, my cousins and my aunts.

Reason—The best of goods and low prices.

Be Sure to Get the Genuine.

As these are Baking Powders sold in bulk for Dr. Price's Cream Baking Powder, which is not his, be sure to get the genuine, which is put up in cans, securely labelled, and made only by Steele & Price, all of whose preparations are uniform and reliable. Buy it only in cans.

FINE EATING APPLES.

Just received at John Hudiburg's.

New Patent Mill Fixtures.
We notice in the depot at this place an outfit of the new Straub patent mill fixtures, belonging to Col. Fain, of Dandridge, and awaiting transportation by river to be placed in his mill. These fixtures are a great improvement over the old fashioned kind of mills.

They were purchased from the Straub Mill Company, of Cincinnati, through their general agent, Mr. J. L. Gouldthrie, who is making his headquarters at the Atkins House.

House Up.

The liver if it is dormant, and avoid a train of evils which must otherwise ensue. Among antilithic medicines none rank so high as Hostetter's Stomach Bitters. It speedily banishes those pains in the region of the affected organ, the yellowness of the skin, nausea, vertigo and sick headaches, which attend a bilious attack. A bilious subject, after a brief course of this capital liver stimulant and invigorant, finds that his tongue is no longer furred in the morning, his breath is sweeter, a hundred inextinguishable sensations no longer make his life miserable, his bowels have acquired the steadiness of a well regulated piece of mechanism, and he can eat with a hearty appetite and good digestion. It is because the Bitters assists nature in her efforts to bring back the disordered liver and bowels to their normal condition, that it accomplishes such remarkable cures.

Benefactors.

When a board of eminent physicians and chemists announced the discovery that, by combining some well-known, valuable remedies, the most wonderful medicine was produced, which would cure such a wide range of diseases that most all other remedies could be dispensed with, many were sceptical; but proof of its merits by actual trial has dispelled all doubt, and to-day the discoverers of that great medicine, Hop Bitters, are honored and blessed by all as benefactors.

Fine Piece of Furniture.

We incidentally noticed yesterday evening, while passing as it was being loaded for delivery, a very elegant piece of furniture, in the shape of a side board, which was made to order by the popular furniture house of Wm. Caswell & Co., for Maj. D. A. Carpenter. It is made of ash, with the genuine Hungarian ash trimmings, and supplied with French plate mirrors. It is a perfect beauty, entirely new, and the most attractive piece of furniture we have noticed for some time.

A Novelty in Roses.

Buds of the new striped Tea Rose "AMERICAN BANNER," were worn for the first time in New York, by the ladies waiting on the tables at the great Fair of the Seventh Regiment, on the evening of Wednesday, Dec. 3d. This variety among flowers, from its novelty and scarcity, is likely to become in great demand this winter; but as it can only yet be supplied in small quantities, "it will cost more than its weight in gold."

Arbitration Court.

At the session of the Arbitration Court yesterday the following proceedings were had:

Bettie Keltner vs. Sam. Cowan et al., reversed.

James Clapp vs. J. H. Mynatt, affirmed.

M. E. Alley vs. John Alley, affirmed.

Court adjourned till 9 o'clock this morning.

What a Pity.

That the otherwise beautiful girl should have such bad teeth. And all because she did not use SOZODONT. It cures so little to buy it considering the good it does, and its benefits stretch out into her future life. Poor girl!
